## ***Program Work Statement***

**Contract Start Date****9/1/2015****Contract End Date****9/30/2019**

### ***Program Goals And Objectives***

Youth are physically healthy, safe, respect diversity, demonstrate empathy, engage in community, school or extracurricular activities, are intellectually and creatively challenged, have supportive peer groups and role models, demonstrate personal and social responsibility, have good mental health and are emotionally resilient, avoid risky behaviors, have positive attitudes towards health and nutrition, are academically successful, graduate from high school, have positive attitudes about careers, are productive, and are equipped to reach financial self-sufficiency.

Adults and families have access to basic needs, including affordable, quality childcare.

### ***Program Clients Served***

Programs serve 3rd, 4th and 5th grade students at every Del Valle ISD (DVISD) Elementary School located within Travis County and/or the City of Austin. At some campuses, 2nd graders may also be served based on the number of students enrolled in the program and if a need is demonstrated by DVISD. DVISD selects all students to participate in programming provided by Creative Action. Additionally, programming may serve some middle school students with the same quality services when agreement resources allow and a need is demonstrated by DVISD.

Creative Action will serve approximately 25 – 40 students at the afterschool program at L. L. Campbell Elementary Media & Performing Arts Institute (2613 Rogers Ave, Austin, TX 78722). These students meet all standard eligibility requirements in Exhibit A.3 for participation and that documentation is maintained by Creative Action staff.

#### **Approved Client Eligibility Exception:**

Approximately 94% of students are minority youth, approximately 87% are economically disadvantaged, and approximately 38% have Limited English Proficiency based on current Del Valle ISD demographics. According to Del Valle ISD, 96% of the district qualifies for free and reduced lunch. Additionally, all students that participate attend schools within Austin and/or Travis County. Therefore, in lieu of the standard eligibility requirements in Exhibit A.3, students who attend Del Valle ISD elementary schools located within Austin and/or Travis County are eligible to receive the services provided by the Del Valle After School Collaborative.

### ***Program Services And Delivery***

Creative Action, 4-H CAPITAL, and IT'S TIME TEXAS provide after school care for students on every Del Valle ISD elementary campus at no cost to youth and families. The program runs approximately from 2:45-6:00pm, Monday-Thursday, September through May (approximately 130 days).

Programs are taught daily by Creative Action Teaching Artists, 4-H CAPITAL AmeriCorps Members, and instructors from IT'S TIME TEXAS. Each program is overseen by a Site Director. A Program Director for the collaborative oversees the after school sites and works with frontline staff and program staff from each organization to guide and facilitate alignment with school day content and campus needs, cross-disciplinary curriculum development, and service learning projects. The Program Director provides ongoing coaching and mentoring to teaching artists and program staff to ensure high-quality, standards-aligned programming, regular communication with each campus team and Del Valle ISD staff, program review and provision of feedback on interdisciplinary curriculum designed for the program, and provision of program evaluation oversight, including student surveys and Youth Program Quality assessments.

Each day includes homework help, provision of a hot meal, outdoor recreation, and enrichment classes exploring the arts, sciences, technology, the environment, and health and fitness. Classes offer hands-on activities and service-oriented projects led by youth development professionals from the three partner organizations participating in the collaborative.

Students participating in the afterschool program located at Campbell Elementary receive programming from Creative Action only. All Creative Action program services at this location ensure the same scope of and supports for program quality and content as listed above.

### ***System for Collecting and Reporting Program Data***

Campus-based programming staff are responsible for collecting evaluation and demographic data at each program site.

## ***Program Work Statement***

***Contract Start Date*****9/1/2015*****Contract End Date*****9/30/2019**

Creative Action administers student pre- and post-test assessments, surveys to parents and school staff, the Youth Program Quality (YPQ) Assessment tool, focus groups, and observations to measure the success of programs at achieving mission-driven goals. Staff from each organization work together to analyze evaluation data to determine whether or not the overall program is meeting the goals and attendance rates set for this program, and uses this information to alter program implementation to better achieve goals and ensure that these changes are reflected in future evaluations to measure their effectiveness.

Evaluation methods and results are integral to the design and implementation of collaborative programming. For example, the YPQ Assessment tool helps to guide everything from curriculum design to behavior management strategies employed by front-line staff at every site.

Each partner organization is responsible for collecting evaluation data related to their unique program goals. Creative Action's program and grant management staff ensures the collection of all data from participating organizations in a timely manner through ongoing communication. Creative Action also facilitates YPQ Assessments to measure the effectiveness of the collaboration at creating after school programming that is safe, supportive, and engaging with opportunities for peer interaction.

### ***Performance Evaluation***

Creative Action measures high-level outcomes for demonstrating progress toward self-sufficiency through the Life Continuum by tracking 1) the percent of children and youth who progress to the next developmental or academic level and 2) the percent of individuals who demonstrate improved life skills and/or knowledge according to program-specific evaluation measures and outcomes established by each partner organization. The goal as a collaborative program is for 99% of participating students to advance to the next grade level, and for at least 80% of participants to show improved life skills and/or knowledge across all content areas.

### ***Quality Improvement***

Creative Action evaluates program quality and outcomes in regards to youth safety, engagement, support, and peer interaction using the National Youth Program Quality Assessment. Program directors assess evaluation data throughout the project to improve the program where needed.

- Programs in the Del Valle Afterschool Collaborative and summer programs are not licensed by the State. Creative Action operates services within the Del Valle ISD after-school program.
- Creative Action works to align its program quality with the criteria of the Texas Standards of High Quality Afterschool, Summer and Expanded Learning Programs for each program site funded by the City. A plan including specific goals and timelines shall be submitted to the City for review annually by December. Progress on completion of these goals is included in the additional comments section of the annual progress report or close-out report submitted to Austin Public Health.

### ***Service Coordination with Other Agencies***

Creative Action cooperates with each Del Valle elementary campus to: 1) build strong relationships with campus staff including district-hired Site Coordinators, counselors, librarians, parent support specialists, and Social/Emotional Learning coordinators; 2) learn about the campus culture and available resources, and; 3) develop strong channels of communication for connecting after school and summer curriculum to school-day content.

### ***Service Collaboration with Other Agencies***

At each Del Valle ISD elementary school, all three partner organizations collaborate to provide comprehensive after school programming beyond what Creative Action could offer individually. Program staff participates in ongoing collaborative planning to develop interdisciplinary lessons and service projects, combining content from each partner's curriculum to develop innovative projects that inspire creative thinking among students for how the arts and culture, sciences, nutrition information, and appreciation for the environment can work together to help make their community a better place.

4-H CAPITAL provides youth with experiences in science and outdoor education. The curricula focuses on STEM (science, technology, engineering, math) education and service learning projects, including programs on robotics, gardening, animal husbandry, rocket-building, sport fishing and life sciences. 4-H instructors are trained in best practices for youth development through Youth Program Quality methods and all curricula is aligned with math and science TEKS (Texas Essential Knowledge

and Skills).

IT'S TIME TEXAS (ITT) provides youth with experiences in sports, health and wellness. ITT instructors bring experience in sports education and are trained to deliver curricula on healthy habits, teambuilding and physical wellness. All students in ITT classes may participate in UNITED soccer tournaments hosted by ITT throughout the school year

Most students receive program services from Creative Action and all subgrantees. The subgrantees don't individually contribute toward the unduplicated number of clients served for the program overall, but the number of students served by each organization is tracked by Creative Action and reported annually as part of the progress report or close out report to Austin Public Health.

### ***Community Planning Activities***

Each partner organization is involved in major community planning initiatives, professional development opportunities and committee work groups as active partners of the Learn All the Time network. Creative Action is currently involved in a City of Austin cultural asset mapping initiative led by the Cultural Arts Division, the Creative Classroom Initiative led by MINDPOP and AISD, and Creative Action's Executive Director sits on the AISD Social and Emotional Learning Steering Committee. Creative Action is an active member of the National Guild for Community Arts Education, with multiple staff members participating in committees and the annual national conference. Additionally, Creative Action's Executive Director is a member of the Creative Youth Development steering committee and is a member of the National Guild Board of Directors.

Business Associate agrees that if it maintains a Designated Record Set for Covered Entity that is not maintained by Covered Entity, it will permit an Individual to inspect or copy PHI about the Individual in that set as directed by Covered Entity to meet the requirements of 45 C.F.R. § 164.524. If the PHI is in electronic format, the Individual shall have a right to obtain a copy of such information in electronic format and, if the Individual chooses, to direct that an electronic copy be transmitted directly to an entity or person designated by the individual in accordance with HITECH section 13405 (c). Under the Privacy Rule, Covered Entity is required to take action on such requests as soon as possible, but not later than 30 days following receipt of the request. Business Associate agrees to make reasonable efforts to assist Covered Entity in meeting this deadline. The information shall be provided in the form or format requested if it is readily producible in such form or format; or in summary, if the Individual has agreed in advance to accept the information in summary form. A reasonable, cost-based fee for copying health information may be charged. If Covered Entity maintains the requested records, Covered Entity, rather than Business Associate shall permit access according to its policies and procedures implementing the Privacy Rule.

- (b) Individual Right to Amendment. Business Associate agrees, if it maintains PHI in a Designated Record Set, to make amendments to PHI at the request and direction of Covered Entity pursuant to 45 C.F.R. §164.526. If Business Associate maintains a record in a Designated Record Set that is not also maintained by Covered Entity, Business Associate agrees that it will accommodate an Individual's request to amend PHI only in conjunction with a determination by Covered Entity that the amendment is appropriate according to 45 C.F.R. §164.526.
- (c) Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of disclosures of PHI, whether PHI is paper or electronic format, in accordance with 45 C.F.R. §164.528 and HITECH Sub Title D Title VI Section 13405 (c), and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. Under the Privacy Rule, Covered Entity is required to take action on such requests as soon as possible but not later than 60 days following receipt of the request. Business Associate agrees to use its best efforts to assist Covered Entity in meeting this deadline but not later than 45 days following receipt of the request. Such accounting must be provided without cost to the individual or Covered Entity if it is the first accounting requested by an individual within any 12 month period; however, a reasonable, cost-based fee may be charged for subsequent accountings if Business Associate informs the individual in advance of the fee and is afforded an opportunity to withdraw or modify the request. Such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures prior to the compliance date of the Privacy Rule) and shall be provided for as long as Business Associate maintains the PHI.
8. Internal Practices, Policies and Procedures. Except as otherwise specified herein, Business Associate shall make available its internal practices, books, records, policies and procedures relating to the use and disclosure of PHI, received from or on behalf of Covered Entity to the Secretary or his or her agents for the purpose of determining Covered Entity's compliance with the HIPAA Rules, or any other health oversight agency, or to Covered Entity. Records requested that are not protected by an applicable legal privilege will be made available in the time and manner specified by Covered Entity or the Secretary.
9. Notice of Privacy Practices. Business Associate shall abide by the limitations of Covered Entity's Notice of which it has knowledge. Any use or disclosure permitted by this Agreement may be amended by changes to Covered Entity's Notice; provided, however, that the amended Notice shall not affect permitted uses and disclosures on which Business Associate relied prior to receiving notice of such amended Notice.

10. Withdrawal of Authorization. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Business Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the Privacy Rule expressly applies.
11. Knowledge of HIPAA Rules. Business Associate agrees to review and understand the HIPAA Rules as it applies to Business Associate, and to comply with the applicable requirements of the HIPAA Rule, as well as any applicable amendments.
12. Information Incident Notification for PHI. Business Associate will report any successful Incident of which it becomes aware and at the request of the Covered Entity, will identify: the date of the Incident, scope of Incident, Business Associate's response to the Incident, and the identification of the party responsible for causing the Incident.
13. Information Breach Notification for PHI. Business Associate expressly recognizes that Covered Entity has certain reporting and disclosure obligations to the Secretary and the Individual in case of a security breach of unsecured PHI. Where Business Associate accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses or discloses unsecured paper or electronic PHI, Business Associate immediately following the "discovery" (within the meaning of 45 C.F.R. §164.410(a)) of a breach of such information, shall notify Covered Entity of such breach. Initial notification of the breach does not need to be in compliance with 45 C.F.R. §164.404(c); however, Business Associate must provide Covered Entity with all information necessary for Covered Entity to comply with 45 C.F.R. §164.404(c) without reasonable delay, and in no case later than **three** days following the discovery of the breach. Business Associate shall be liable for the costs associated with such breach if caused by the Business Associate's negligent or willful acts or omissions, or the negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.
14. Breach Notification to Individuals. Business Associate's duty to notify Covered Entity of any breach does not permit Business Associate to notify those individuals whose PHI has been breached by Business Associate without the express written permission of Covered Entity to do so. Any and all notification to those individuals whose PHI has been breached shall be made by the Business Associate under the direction, review and control of Covered Entity. The Business Associate will notify the Covered Entity via telephone with follow-up in writing to include; name of individuals whose PHI was breached, information breached, date of breach, form of breach, etc. The cost of the notification will be paid by the Business Associate.
15. Information Breach Notification for Other Sensitive Personal Information. In addition to the reporting under Section D.12, Business Associate shall notify

Covered Entity of any breach of computerized Sensitive Personal Information (as determined pursuant to Title 11, subtitle B, chapter 521, Subchapter A, Section 521.053, Texas Business & Commerce Code) to assure Covered Entity's compliance with the notification requirements of Title 11, Subtitle B, Chapter 521, Subchapter A, Section 521.053, Texas Business & Commerce Code. Accordingly, Business Associate shall be liable for all costs associated with any breach caused by Business Associate's negligent or willful acts or omissions, or those negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.

E. Permitted Uses and Disclosures by Business Associates. Except as otherwise limited in this Agreement, Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in this Business Associates Agreement or in a Master Services Agreement, provided that such use or disclosure would not violate the HIPAA Rules if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity. Also, Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with the HIPAA Rules.

1. Use. Business Associate will not, and will ensure that its directors, officers, employees, contractors and other agents do not, use PHI other than as permitted or required by Business Associate to perform the Services or as required by law, but in no event in any manner that would constitute a violation of the Privacy Standards or Security standards if used by Covered Entity.
2. Disclosure. Business Associate will not, and will ensure that its directors, officers, employees, contractors, and other agents do not, disclose PHI other than as permitted pursuant to this arrangement or as required by law, but in no event disclose PHI in any manner that would constitute a violation of the Privacy Standards or Security Standards if disclosed by Covered Entity.
3. Business Associate acknowledges and agrees that Covered Entity owns all right, title, and interest in and to all PHI, and that such right, title, and interest will be vested in Covered Entity. Neither Business Associate nor any of its employees, agents, consultants or assigns will have any rights in any of the PHI, except as expressly set forth above. Business Associate represents, warrants, and covenants that it will not compile and/or distribute analyses to third parties using any PHI without Covered Entity's express written consent.

F. Application of Security and Privacy Provisions to Business Associate.

1. Security Measures. Sections 164.308, 164.310, 164.312 and 164.316 of Title 45 of the Code of Federal Regulations dealing with the administrative, physical and technical safeguards as well as policies, procedures and documentation requirements that apply to Covered Entity shall in the same manner apply to Business Associate. Any additional security requirements contained in Sub Title D of Title IV of the HITECH Act that apply to Covered Entity shall also apply to Business Associate. Pursuant to

the foregoing requirements in this section, the Business Associate will implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the paper or electronic PHI that it creates, has access to, or transmits. Business Associate will also ensure that any agent, including a subcontractor, to whom it provides such information, agrees to implement reasonable and appropriate safeguards to protect such information. Business Associate will ensure that PHI contained in portable devices or removable media is encrypted.

2. Annual Guidance. For the first year beginning after the date of the enactment of the HITECH Act and annually thereafter, the Secretary shall annually issue guidance on the most effective and appropriate technical safeguards for use in carrying out the sections referred to in subsection (a) and the security standards in subpart C of part 164 of title 45, Code of Federal Regulations. Business Associate shall, at their own cost and effort, monitor the issuance of such guidance and comply accordingly.
3. Privacy Provisions. The enhanced HIPAA privacy requirements including but not necessarily limited to accounting for certain PHI disclosures for treatment, restrictions on the sale of PHI, restrictions on marketing and fundraising communications, payment and health care operations contained Subtitle D of the HITECH Act that apply to the Covered entity shall equally apply to the Business Associate.
4. Application of Civil and Criminal Penalties. If Business Associate violates any security or privacy provision specified in subparagraphs (1) and (2) above, sections 1176 and 1177 of the Social Security Act (42 U.S.C. 1320d-5, 1320d-6) shall apply to Business Associate with respect to such violation in the same manner that such sections apply to Covered Entity if it violates such provisions.

**G. Term and Termination.**

1. Term. This Agreement shall be effective as of the Effective Date and shall be terminated when all PHI provided to Business Associate by Covered Entity, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity.
2. Termination for Cause. Upon Covered entity's knowledge of a material breach by Business Associate, Covered Entity shall either:
  - a. Provide an opportunity for Business Associate to cure the breach within 30 days of written notice of such breach or end the violation and terminate this Agreement, whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity; or
  - b. Immediately terminate this Agreement whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement if

Business associate has breached a material term of this Agreement and cure is not possible.

3. Effect of Termination. Upon termination of this Agreement for any reason, Business Associate agrees to return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, maintained by Business Associate in any form. If Business Associate determines that the return or destruction of PHI is not feasible, Business Associate shall inform Covered Entity in writing of the reason thereof, and shall agree to extend the protections of this Agreement to such PHI and limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI not feasible for so long as Business Associate retains the PHI.

#### H. Miscellaneous.

1. Indemnification. To the extent permitted by law, Business Associate agrees to indemnify and hold harmless Covered Entity from and against all claims, demands, liabilities, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including, without limitation, attorney's fees, defense costs, and equitable relief), for any damage or loss incurred by Covered Entity arising out of, resulting from, or attributable to any acts or omissions or other conduct of Business Associate or its agents in connection with the performance of Business Associate's or its agents' duties under this Agreement. This indemnity shall apply even if Covered Entity is alleged to be solely or jointly negligent or otherwise solely or jointly at fault; provided, however, that a trier of fact finds Covered Entity not to be solely or jointly negligent or otherwise solely or jointly at fault. This indemnity shall not be construed to limit Covered Entity's rights, if any, to common law indemnity.

Covered Entity shall have the option, at its sole discretion, to employ attorneys selected by it to defend any such action, the costs and expenses of which shall be the responsibility of Business Associate. Covered Entity shall provide Business Associate with timely notice of the existence of such proceedings and such information, documents and other cooperation as reasonably necessary to assist Business Associate in establishing a defense to such action.

These indemnities shall survive termination of this Agreement, and Covered Entity reserves the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

2. Mitigation. If Business Associate violates this Agreement or either of the HIPAA Rules, Business Associate agrees to mitigate any damage caused by such breach.
3. Rights of Proprietary Information. Covered Entity retains any and all rights to the proprietary information, confidential information, and PHI it releases to Business Associate.
4. Survival. The respective rights and obligations of Business Associate under Section E.3 of this Agreement shall survive the termination of this Agreement.

5. Notices. Any notices pertaining to this Agreement shall be given in writing and shall be deemed duly given when personally delivered to a Party or a Party's authorized representative as listed in Section 8.7 of the agreement between the City and Grantee or sent by means of a reputable overnight carrier, or sent by means of certified mail, return receipt requested, postage prepaid. A notice sent by certified mail shall be deemed given on the date of receipt or refusal of receipt.
6. Amendments. This Agreement may not be changed or modified in any manner except by an instrument in writing signed by a duly authorized officer of each of the Parties hereto. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow Covered Entity to comply with the requirements of the HIPAA Rules.
7. Choice of Law. This Agreement and the rights and the obligations of the Parties hereunder shall be governed by and construed under the laws of the State of Texas without regard to applicable conflict of laws principles.
8. Assignment of Rights and Delegation of Duties. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, neither Party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary, however, Covered Entity retains the right to assign or delegate any of its rights or obligations hereunder to any of its wholly owned subsidiaries, affiliates or successor companies. Assignments made in violation of this provision are null and void.
9. Nature of Agreement. Nothing in this Agreement shall be construed to create (i) a partnership, joint venture or other joint business relationship between the Parties or any of their affiliates, (ii) any fiduciary duty owed by one Party to another Party or any of its affiliates, or (iii) a relationship of employer and employee between the Parties.
10. No Waiver. Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
11. Equitable Relief. Any disclosure of misappropriation of PHI by Business Associate in violation of this Agreement will cause Covered Entity irreparable harm, the amount of which may be difficult to ascertain. Business Associate therefore agrees that Covered Entity shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining Business Associate from any such further disclosure or breach, and for such other relief as Covered Entity shall deem appropriate. Such rights are in addition to any other remedies available to Covered Entity at law or in equity. Business Associate expressly waives the defense that a remedy in damages will be adequate, and further waives any requirement in an action for specific performance or injunction for the posting of a bond by Covered Entity.

12. Severability. The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid or unenforceable provision had not been contained herein.
13. No Third Party Beneficiaries. Nothing in this Agreement shall be considered or construed as conferring any right or benefit on a person not a party to this Agreement nor imposing any obligations on either Party hereto to persons not a party to this Agreement.
14. Headings. The descriptive headings of the articles, sections, subsections, exhibits and schedules of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.
15. Entire Agreement. This Agreement, together with all Exhibits, Riders and amendments, if applicable, which are fully completed and signed by authorized persons on behalf of both Parties from time to time while this Agreement is in effect, constitutes the entire Agreement between the Parties hereto with respect to the subject matter hereof and supersedes all previous written or oral understandings, agreements, negotiations, commitments, and any other writing and communication by or between the Parties with respect to the subject matter hereof. In the event of any inconsistencies between any provisions of this Agreement in any provisions of the Exhibits, Riders, or amendments, the provisions of this Agreement shall control.
16. Interpretation. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Rules and any applicable state confidentiality laws. The provisions of this Agreement shall prevail over the provisions of any other agreement that exists between the Parties that may conflict with, or appear inconsistent with, any provision of this Agreement or the HIPAA Rules.
17. Regulatory References. A citation in this Agreement to the Code of Federal Regulations shall mean the cited section as that section may be amended from time to time.

Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

8.9 **Advertising.** Where such action is appropriate as determined by the City, Contractor shall publicize the activities conducted by the Contractor under this Agreement. Any news release, sign, brochure, or other advertising medium including websites disseminating information prepared or distributed by or for the Contractor shall recognize the City as a funding source and include a statement that indicates that the information presented does not officially represent the opinion or policy position of the City.

8.10 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

8.11 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

- 8.12 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
- 8.13 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
- 8.14 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.
- 8.15 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
- 8.16 **Modifications.** The Contract can be modified or amended only by a written, signed agreement by both parties. No pre-printed or similar terms on any Contractor invoice, order, or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.
- 8.17 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
- 8.18 **Dispute Resolution.**
- 8.18.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- 8.18.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified

individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;

8.21.1.3 require Subcontractors to submit all requests for payment and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include the same with its invoice or application for payment to the City in accordance with the terms of the Contract;

8.21.2 The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

8.21.3 The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten days after receipt of payment from the City.

in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

- 8.23 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

### ***Program Services And Delivery***

#### 3. Program services and delivery:

Creative Action, 4-H CAPITAL, Camp Fire, and IT'S TIME TEXAS, will provide after school care for 4th and 5th grade students on every Del Valle ISD elementary campus at no cost to youth and families. The program will run 2:45-6:00pm, Monday-Thursday, September through May (130 days), and Monday-Friday for four hours per day in June. Programs will be taught daily by two Creative Action Teaching Artists, one 4-H CAPITAL AmeriCorps Member, and one instructor from both Camp Fire and IT'S TIME TEXAS (five instructors per campus), and each program will be overseen by a Site Director. A Program Director for our collaborative, hired by Creative Action as the fiscal agent, will oversee the after school sites and will work with frontline staff and program staff from each organization to guide and facilitate alignment with school day content and campus needs, cross-disciplinary curriculum development, and service learning projects. Each day will include homework help, a hot meal provided by the school district, outdoor recreation, and enrichment classes exploring the arts, sciences, technology, the environment, and health and fitness. Classes will offer hands-on activities and service-oriented projects led by youth development professionals from our four partner organizations.

### ***System for Collecting and Reporting Program Data***

#### 4. System for collecting and reporting program data:

Campus-based programming staff will be responsible for collecting evaluation and demographic data at each program site, and we will administer student pre- and post-test assessments, surveys to parents and school staff, the Youth Program Quality (YPQ) Assessment tool, focus groups, and observations to measure the success of our programs at achieving mission-driven goals. Staff from each organization will work together to analyze evaluation data to determine whether or not we are meeting our goals and attendance rates for this program, and will use this information to alter program implementation to better achieve our goals and ensure that these changes are reflected in future evaluations to measure their effectiveness. Evaluation methods and results will be integral to how we design and implement our collaborative programming. For example, the YPQ Assessment tool will help to guide everything from curriculum design to behavior management strategies employed by our front-line staff at every site.

Each partner organization will be responsible for collecting evaluation data related to their unique program goals. Creative Action's program and grant management staff will ensure the collection of all data from participating organizations in a timely manner through ongoing communication. We will also facilitate YPQ Assessments to measure the effectiveness of our collaboration at creating after school programming that is safe, supportive, and engaging with opportunities for peer interaction.

### ***Performance Evaluation***

#### 5. Program Evaluation Plan

*Created 4/20/2015 10:11:00 AM**Last Modified, If Applicable 4/21/2015 10:39:00 AM*

## ***Program Work Statement***

***Contract Start Date***

**9/1/2015**

***Contract End Date***

**9/30/2018**

**•Performance evaluation:**

We will measure high-level outcomes for demonstrating progress toward self-sufficiency through the Life Continuum by tracking 1) the percent of children and youth who progress to the next developmental or academic level and 2) the percent of individuals who demonstrate improved life skills and/or knowledge according to program-specific evaluation measures and outcomes established by each partner organization. Our goal as a collaborative program is for 99% of participating students to advance to the next grade level, and for at least 80% of participants to show improved life skills and/or knowledge across all content areas.

### ***Quality Improvement***

**•Quality improvement:**

We will evaluate program quality and outcomes in regards to youth safety, engagement, support, and peer interaction using the National Youth Program Quality Assessment. Program directors will assess evaluation data throughout the project to improve the program where needed.

•Programs in the Del Valle Afterschool Collaborative and summer programs are not licensed by the State. Creative Action will be operating services withing the Del Valle ISD after-school program.

•Creative Action shall work to align its program quality with the criteria of the Texas Standards of High Quality Afterschool, Summer and Expanded Learning Programs for each program site funded by the City. A plan including specific goals and timelines shall be submitted to the City for review and approval by December 31, 2015.

### ***Service Coordination with Other Agencies***

**•Service Cooperation with Other Agencies:**

We will cooperate with each Del Valle elementary campus to: 1) build strong relationships with campus staff including district-hired Site Coordinators, counselors, librarians, parent support specialists, and Social/Emotional Learning coordinators; 2) learn about the campus culture and available resources, and; 3) develop strong channels of communication for connecting our after school and summer curriculum to school-day content.

### ***Service Collaboration with Other Agencies***

**•Service Collaboration with Other Agencies:**

At each Del Valle ISD elementary school, all four partner organizations will collaborate to provide comprehensive after school programming beyond what we could offer individually. Program staff will participate in ongoing collaborative planning to develop interdisciplinary lessons and service projects, combining content from each partner's curriculum to develop innovative projects that inspire creative thinking among our students for how the arts and culture, sciences, nutrition information, and appreciation for the environment can work together to help make their community a better place.

### ***Community Planning Activities***

7. Description of agency's involvement in community planning activities that are specific to the services provided under this program:

Each of our partner organizations are involved in major community planning initiatives including United Way for Greater Austin's Middle School Matters initiatives, Ready By 21, and the Central Texas Afterschool Network. Creative Action is currently involved in a City of Austin cultural asset mapping initiative led by the Cultural Arts Division, the Creative Classroom Initiative led by MINDPOP and AISD, and Executive Director Karen LaShelle sits on the AISD Social and Emotional Learning Steering Committee.

- (4) To state in all solicitations or advertisements for employees placed by or on behalf of the Contractor, that all qualified applicants will receive consideration for employment without regard to race, creed, color, religion, national origin, sexual orientation, gender identity, disability, veteran status, sex or age.
- (5) To obtain a written statement from any labor union or labor organization furnishing labor or service to Contractors in which said union or organization has agreed not to engage in any discriminatory employment practices as defined in this chapter and to take affirmative action to implement policies and provisions of this chapter.
- (6) To cooperate fully with OWNER's Human Rights Commission in connection with any investigation or conciliation effort of said Human Rights Commission to ensure that the purpose of the provisions against discriminatory employment practices are being carried out.
- (7) To require compliance with provisions of this chapter by all subcontractors having fifteen or more employees who hold any subcontract providing for the expenditure of \$2,000 or more in connection with any contract with OWNER subject to the terms of this chapter.

For the purposes of this Offer and any resulting Contract, Contractor adopts the provisions of the City's Minimum Standard Nondiscrimination Policy set forth below.

Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

Contractor agrees that to the extent of any inconsistency, omission, or conflict with its current non-discrimination employment policy, the Contractor has expressly adopted the provisions of the City's Minimum Non-Discrimination Policy contained in Section 5-4-2 of the City Code and set forth above, as the Contractor's Non-Discrimination Policy or as an amendment to such Policy and such provisions are intended to not only supplement the Contractor's policy, but will also supersede the Contractor's policy to the extent of any conflict.

UPON CONTRACT AWARD, THE CONTRACTOR SHALL PROVIDE A COPY TO THE CITY OF THE CONTRACTOR'S NON-DISCRIMINATION POLICY ON COMPANY LETTERHEAD, WHICH CONFORMS IN FORM, SCOPE, AND CONTENT TO THE CITY'S MINIMUM NON-DISCRIMINATION POLICY, AS SET FORTH HEREIN, OR THIS NON-DISCRIMINATION POLICY, WHICH HAS BEEN ADOPTED BY THE CONTRACTOR FOR ALL PURPOSES (THE FORM OF WHICH HAS BEEN APPROVED BY THE CITY'S EQUAL EMPLOYMENT/FAIR HOUSING OFFICE), WILL BE CONSIDERED THE CONTRACTOR'S NON-DISCRIMINATION POLICY WITHOUT THE REQUIREMENT OF A SEPARATE SUBMITTAL.

# Collaborative After School Services in Del Valle ISD & Programs at the Center for Creative Action: Promising Practices Logic Model

## **Plan for Evaluation**

We will evaluate the success of our collaborative program model using the Youth Program Quality Assessment tools. This research-based program will help us to assess program delivery at each after school site as it relates to youth engagement, peer interaction, safety, and support. YPQ Assessments will be implemented by a qualified YPQ Methods Trainer. We will also survey youth, parents, and campus staff to assess our success at meeting the needs of participants, families, and campuses and guide our programming model to best meet these needs. We will measure our success at reaching quantitative outcome goals (percentage of youth who advance to the next academic level, number of public performances/family events held, etc.) by tracking student progress at the end of each school year and keeping detailed records of programs and attendance.

Each individual curriculum implemented by our four partner agencies will be evaluated using program-specific assessment tools designed to measure the effectiveness of each program at achieving program-specific goals related to its unique focus area (i.e. the arts, STEM, nutrition and healthy, and the environment). These assessments will be used to evaluate our success at helping participants develop the skills and knowledge necessary to achieve self-sufficiency.

To Whom It May Concern:

On behalf of the Ready by 21 Coalition of Central Texas (RB21), I am pleased to support Creative Action's proposal to the City of Austin to provide much needed afterschool services in Del Valle ISD in partnership with Camp Fire, ACTIVE Life, and 4-H CAPITAL, and to serve youth, families and seniors in Central East Austin at the Center for Creative Action. These organizations are active participants in and partners to RB21—which brings together local service providers, educators, government agency representatives, and community stakeholders to maximize coordination and collectively impact the lives of youth and families in Central Texas—as well as the Central Texas Afterschool Network, an RB21 partner coalition. Creative Action and its partners for this project represent an expansive network contributing to afterschool service coverage across several cities and school districts within Travis County and therefore have the organizational infrastructure, strong existing partnerships, experience working with schools and quality of services to take on this ambitious project that meets a significant community need.

The proposed service models align with and substantially help fulfill the following implementation items in the Imagine Austin comprehensive plan:

***Society – Children, Families and Education Policies***

- S P19. Coordinate with educational and business partners to increase the availability of quality early education, child care, afterschool, and preschool programs for all residents, especially low and middle income households and families with children with disabilities.
- S P24. Partner with local school districts, nonprofits, and civic groups to expand afterschool and summer programs for children of all ages and abilities.

***Priority 3 – Continue to grow Austin's economy by investing in our workforce, education systems, entrepreneurs, and local businesses***

- Short-term work item #4. Partner with school districts and non-profit organizations to increase creative education programs for students as part of regular curriculum and through afterschool activities.

Both Del Valle ISD and Central East Austin represent some of Travis County's most high-need communities. This project will help to sustain, expand and address critical gaps in youth services in these communities, particularly offsetting the crippling loss of approximately \$1 million in funding for the 21<sup>st</sup> Century Community Learning Centers afterschool grants in Del Valle ISD, where the partners to this proposal already have existing working relationships and a history of achieving outcomes.

Further, this collaboration provides holistic supports that address each of the RB21 outcome areas: academically successful and workforce ready, physically healthy and safe, socially and emotionally healthy and safe, and socially and civically engaged. Through their collaborative efforts, Creative Action and partners propose an effective way to combine learning in the arts, health and nutrition, STEM, literacy, and the environment during out-of-school time for hundreds of underserved Travis County youth. More than just providing free childcare to low-income families, this project will help Travis County youth achieve the outcomes outlined by RB21, developing the confidence and skills they need to be successful.
